Re: *Rodriguez v. Castle Check Cashing Corp., et al.*
Case No. 17 CV 9930 (GHW)

Dear Judge Woods:

This joint letter is respectfully submitted to update the Court regarding scheduling of the contemplated private class-wide mediation in this matter.

The parties are working diligently with the office of the agreed-upon mediator, Martin F. Scheinman, Esq. to schedule the mediation on the earliest date convenient for all participants. Originally, a February mediation date was contemplated, and the parties provided various mutually acceptable dates during February to Mr. Scheinman's staff. However, Mr. Scheinman's staff advised that he is unable to accommodate the parties' request for a February mediation date, due to his packed schedule of prior commitments. Accordingly, the parties are working to schedule the mediation in early March. The parties are hopeful that the mediation date will be confirmed by next week, and will promptly notify the Court of the mediation date by joint letter once it is scheduled.

Respectfully submitted,

/s/ Taimur Alamgir
